

Dripping Springs ISD Student Contract for Private Lessons

In order for students in the Dripping Springs ISD band program to excel on their instruments private lessons are strongly encouraged. The individual attention and instruction received during a weekly private lesson is essential in the proper development of musical skills. We will be providing the opportunity for our students to receive these lessons at the High School starting September 2003. Please read the following guidelines and have your student return this form to their band director ASAP to allow time for the implementation of this program after Labor Day.

I agree for _____ to receive private instruction
(Students name)

On _____ beginning September 2003. I agree to pay the instructor every 4 lessons a
(instrument)
fee of \$60.00 due at the 1st lesson, and then at every 4th lesson. If my student must miss a scheduled lesson, I will contact the instructor at least 24 hours in advance. In case of a missed lesson without 24 hours advance, and I will not be reimbursed for that lesson.

Lessons will be given on Mondays, Tuesdays and Thursdays after school in the Dripping Springs High School Band Hall. If there is no school on any given weekday, we will NOT have private lessons on those specific days. After this form is completed, a private instructor will be contacted and that instructor will set up lesson times with you. Lessons will be run as after school enrichment under the community education program.

Make sure your student is early to their lesson and is prepared to learn
