June

1-4	Percussion Camp	TBA
	Color Guard Camp	TBA

All playoff football games are listed on this year's schedule. Since the band is required to attend all games including playoff games, each band and color guard member is required to attend all games including playoff games. These extra games are graded and students should make plans now to attend.

Please note that all activities that are listed on this calendar are not required for all students. Activities with an * are mandatory for all band and color guard members. All activities with an ** are mandatory for color guard members only. All activities with an *** are mandatory for band members only. All mandatory activities are graded for all students. It is the student and parents responsibility to make arrangements so that each band and color guard member can participate in all required activities. Band students will have sectionals during football season and concert season in addition to the rehearsals listed on this calendar. A sectional schedule will be passed out to band students prior to the start of sectionals in each semester.

All color guard contests are not on this calendar at this time. The dates, times, and locations of these contests are not finalized and will be given to color guard members as soon as possible. Please try and keep all weekends in January, February and March open because the contests will be scheduled on Saturdays during these three months. Mr. Woods may also schedule some Saturday practices in November and December due to use of the gym. If Saturday practices are scheduled a weekday practice will be cancelled.

IMPORTANT

Please be aware that three of our marching contests are scheduled for October 4th, 11th and 25th. Please do not sign up to take SAT or ACT tests on these Saturdays. If you sign up for the SAT on October 12th you MUST take it at Westlake HS or you might not be able to make it to the contest on time. This has been an ongoing problem each year at the Westlake contest. We did so well last year at this contest I would hate to see us do poorly because students could not make the prelims performance. This could also keep us from making finals.

Spring Trip

At this time we do not have the spring trip set up. Students will be given the information including the dates and location as soon as the details are finalized.
